Selectmen's Meeting

JOIN EMT MUTUAL AID PACT

Police Chief Duane Tuttle told Selectmen John DeCosta and William Hubbard that he was now satisfied with the mutual aid agreement with New Bedford, Acushnet, Dartmouth, Fairhaven, Freetown, Rochester, Westport and recommended that Mattapoisett join these towns in a Greater New Bedford Emergency Service. The agreement would make each department responsible for its own men no matter which town they are performing duty in. He told Selectmen that there would be possible benefit to the town from New Bedford's new rough terrain vehicle designed to hold 6 litter patients. The Selectmen voted to authorize Chief Tuttle to sign the agreement.

GAS COMPANY ASKS EXCAVATION SITES

Mr. Stan Gorczyca, representing the New Bedford Gas & Edison Light Company, asked Selectmen for permission to open the street in 17 places to install electrolysis testing equipment to test the gas pipes. The Se-

Here's a dollar to send your kid to college.

It's a Susan B. Anthony one dollar coin.

And we'll give it to you free, if you're one of the first two thousand people to open a Perpetual Money Plan Education Account* at Fairhaven Savings for your child, grandchild, niece or nephew.

You see, we want you to start saving now for college. Admittedly, one dollar isn't a lot of money. But dollars can add up. For example, if you saved just \$25 a week for ten years, you'd have over \$15,000 put away for college.

And that is a lot of money.

To help you reach your savings goal, we'll give you a Perpetual Money Wheel that shows you how much you should save each week. Stop in and get your Money Wheel today. It's free.

And so is the first dollar toward your child's college education.

lectmen said that they are unhappy with the request to open the streets after the recent complete paving but would consider a one-foot square hole rather than the 3-foot square hole in the specifications. Mr. Gorczyca said he will have the specifications rewritten. The Selectmen also brought up the matter of several gas company gate boxes which were never raised to the street level and which now are indented in potholes in the street. He said they would be raised at once.

HOUSING AUTHORITY PROGRESS

June Mendell, executive director of the Mattapoissett Housing Authority, asked Selectmen to write a letter stating that the Elderly Housing Project complies with the local housing assistance plan. They agreed. She said that November 1 is the projected ground breaking for the 52 unit project which will be 1 to 2 years in the building which will be solar heated.

CRYSTAL SPRING EXCAVATION WITHDRAWN

Selectmen who denied a request from the Telephone Company to excavate the newly surfaced Crystal Spring Road were informed that the New England Telephone Company will withdraw the request and use another method.

COUNCIL ON AGING VOTE

The Council on Aging informed Selectmen by letter that they voted against allowing the council office to be shared by the R.S.V.P. program because of lack of space.

In this issue of Presto Press Seniors will find the schedule of Minibus trips for September. Please cut this out and keep for reference. As you undoubtedly already know, our new Senior Aide is Bernice Manchester, who had already taken hold of her job very well, but will appreciate your making allowance for her newness in her job. The hours for reservations and information are still the same -- Monday through Friday 9:00 a.m. to 12:00 noon. The rule is still the same that we must have at least 8 reservations 48 hours before the trip or the trip will be canceled.

will find listed our first big bus trip of our new fiscal year. We will try to plan more if we are reasonably successful in filling the bus. In order to stretch our budget money we are asking Seniors to share the cost of the bus. This will enable us to occasionally schedule longer trips, or more of them. Remember that any Senior in Mattapoisett can go at the reduced rate, but reservation and payment must be made by the deadline of September 26. If we have any vacancies left at that time, we will probably open the trip to Seniors of neighboring towns at the regular price.

Walter Senior, Ann and Walter Silveira Jr. on the campaign trail

Walt Silveira, Jr. *It's a good name.*

In our towns having a good name means a lot.

A good name means a good reputation. It means you've always tried to do what's right for your friends and neighbors. It means you've always tried to help when they need you most.

Without disparaging any of the other candidates running for State Representative from the towns of Fairhaven, Acushnet, Mattapoisett, Marion and Rochester, we think that Walt Silveira is special.

In 15 years' on the Fairhaven School Committee and nine years of planning, starting and running the Regional Technical Vocational High School, he has demonstrated an ability to work with large numbers of people and an integrity that we admire and respect.

And, in his private life, the real help that he and his family have given to people in need is a heart-warming story.

We like Walt Silveira. Hundreds of us have joined together in an effort to put him in the State House.

We urge you to look for his name on the ballot of the Democratic primary Sept. 16 and put an X beside it.

Mattapoisett --- in the Family tradition.

This year all were agreeably surprised by the appearance of Ira Hiller himself, in his One-Ten Boat. The other contestants were Eldridge and Emerson in their Beverly Dinghies.

Although saddened by the recent passing of Matthew Hiller, uncle of the contestants, the gallery---as of yore---followed the five races with great spirit and enthusiasm. The Race Committee was hampered by the absence of Jennie Hiller Ludman, the contestants' aunt, who was detained in New Hampshire. However, Frank T. Martocci, Chairman, officiated acceptably. The tentative results are: Ira--Three Firsts; one Second; one Third. Eldridge--Two First; one Second; two Thirds.

Emerson--Three Seconds; two Thirds.

The final results will be determined--as usual--when mathematical and statistical analysis can be made of the time handicap which some allege should be imposed on Ira's larger One-Ten boat (as compared with the smaller Beverly Dinghies of Eldridge and Emerson). The final results will be announced as soon as analysis and appropriate review permit.

Hunter Safety

The Fin, Fur and Feather Club of Mattapoisett Inc. will host a Hunter Safety course conducted by the Division of Law Enforcement of the State Office of Environmental Affairs on Sundays, September 7th and 14th, from 9 a.m. to 3:30 p.m. at their Crystal Springs Road clubhouse.

Area residents ages 14 through 17 may register for the Hunter Safety course by contacting F.F.F. Youth Committee Chairman Tom Carr at 763-2816. Students must attend both sessions and there is no charge for the course.

Horse Show

ADULT/JUNIOR HORSE SHOW
PLANNED FOR LABOR DAY

Final details are now underway for a horse
show to be held on Labor Day, September 1.
This event will be co-sponsored by the
Dartmouth Horsemen's Association and the
Tails and Trails 4-H Club. The horse show
will be held at the Charles R. Washburn
Memorial Park, Route 105, Marion.

Judging will begin at 8:30 a.m. and will
include classes restricted to 4-H club mem-
bers as well as classes for juniors and
adults.

In addition to placings in regular classes
there will be a champion and reserve award
to the top competitors in eight different
high point divisions. These divisions in-
clude: Stock-seat, Saddle-seat, Hunter-
seat on the flat, Hunter-seat over fences,
Hunter pony, English pony, Western pony,
and Beginner divisions.

Judge for the show will be Mr. David
Bachmann of Vernon, Connecticut. Trail
divisions will be judged by Miss Karen
Anderson of Bourne.

Pupils entering Kindergarten in the Sipican School must be five years of age on or before December 31, 1980. Pupils entering Grade 1 must be six years of age on or before December 31, 1980.

Parents of children who will enter Kindergarten or Grade One this year are urged to have their children ride to school on

the School Bus on opening day. In this way the child will become acquainted with his bus matron and driver and the return trip at 3:00 p.m. will be less demanding on the child. Parents desirous of assisting their children at school may do so by meeting the children at the school when the buses arrive at the Park Street entrance.

Pupils who will be new to the Marion Public School this year and who have not already registered for enrollment are requested to do so immediately as the Office of the School is open each day, Monday through Friday, between the hours of 9:00 a.m. and 3:00 p.m. Principal Michael D. Ward will be available to perform the registration and may be contacted at the Office.

The bus routes have been slightly changed since last June. Other minor changes will have to be made to accommodate population increases and shifts. Accordingly, all students are asked to be ready for pick-up by the drivers earlier than the prescribed time during the first few days of school or until such time as the routes become fixed.

Bus routes are on Page 43 of this issue.

THANKSGIVING NOVENA TO ST. JUDE

Oh Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known, and cause you to be involved. Say three Our Fathers, three Hail Marys and Glories for 9 consecutive days. Publication must be promised. St. Jude pray for us all who invoke your aid. Amen. This Novena has never been known to fail. I have had my request granted. Publication promised.

St. Luke's

GROUND BROKEN FOR ST. LUKE'S
BUILDING PROJECT

Formal ground breaking ceremonies were held last week at St. Luke's for the Hospital's building project.

The \$24 million project will replace, expand and renovate the Hospital facilities. A major feature of the project will be construction of a new 133,300 square feet, six-level patient wing that will be connected to the Jones Building. Also to be constructed is a new parking deck that will accommodate 230 cars.

Approximately 66,000 square feet in the existing Jones, Memorial, Administrative Services and Storage Buildings and the White Home will be renovated. This renovation, along with the new construction, will allow the Hospital to:

- * expand outpatient and admitting services.
- * replace and expand the surgery department.

of the Hospital's last building project, in 1968, the Board of Trustees and the Administration were aware of the need to continue their long range planning efforts. In 1976 the Board's Long Range Planning Committee retained the consulting firm of E.D. Rosenfeld Associates, Inc. to study and to evaluate all activities of the Hospital. fill the needs delineated by the planning report. When we received the certificate of need from the Massachusetts Public Health Council in June, 1979, the Board was able to proceed with the Project.

"The Project will replace 127 beds existing in three older buildings (Hathaway II, Abbe and Schultz Buildings), consolidate and replace the labor, delivery, nurseries, and postpartum units, and replace the surgical suite. Renovations will take place in the existing Jones and Memorial Buildings to meet present and future space requirements of many departments and patient units. The emergency room, ambulator outpatient services and the admitting office will be relocated in the renovated space. The project also provides for consolidation of certain departments, such as materials management and radiology, that have been fragmented in various areas of the Hospital," he said.

According to Mr. Titus, the new six-story patient wing will be completed in the spring of 1981. The total project will be completed in stages over a 34 month period.

Cape Bridge Traffic

BOURNE BRIDGE TRAFFIC
GOES ONE WAY SEPTEMBER 3

Vehicular traffic on the Bourne Bridge over the Cape Cod Canal will be restricted to one 13-foot wide lane effective at 6:00 a.m. on September 3, 1980. That pattern will be con-

tinued until the end of May 1981 when all four lanes will be open to summer traffic.

Colonel Max B. Scheider, head of the U.S. Army Corps of Engineers' New England Division, called attention to the fact that night time alternate one-way traffic will commence at 6:00 p.m., an hour earlier than the previous schedule.

The seven days a week schedule as of September 3:

NORTHBOUND - 6:00 a.m. to 11:00 a.m.

SOUTHBOUND - 11:00 a.m. to 2:00 p.m.

NORTHBOUND - 2:00 p.m. to 6:00 p.m.

ALTERNATE - 6:00 p.m. to 6:00 a.m. -

Alternate one-way traffic, controlled by traffic light signals.

"Work will continue," Colonel Scheider said, "on replacing the bridge deck and some structural members, the installation of the suicide deterrent fence, and painting of the structure."

Motorists encountering directional problems may detour, north or south, via the Sagamore Bridge, a distance of nine miles maximum depending on destination.

"Steering a Trick"

Steering My First "Trick at Sea"

An account found in an old writing book from the attic of Jonathan H. Holmes, Shipbuilder, author unknown; given by Lydia Walker to Brad Hathaway and loaned to us. Continued:

It seemed as if the last moment had come, as I cast my eyes over my shoulder at a huge wave towering above me so high that I could see far into its bulky form as it reached above the horizon, appearing to be ready to roll upon and over the ship, carrying all down beneath it, but its movement lifted her upon its gathering force, raised her as it progressed until, to look forward she appeared to stand on end.

Eagerly did I watch its maddened course, and listened for some churning sound from the forward deck; nothing could be heard but the roar of the monster as it swept on, or seen but its white seething crest as it broke, threatening to engulf the ship. The darkness was deeper and more impenetrable than ever; it would be impossible to tell the thoughts that crowded through my mind in that brief space of time, but I held firmly to the wheel; with a rapid glance to the shifting topsail, I felt it to be my only companion, and on it my life depended. For a second, wrapt in unconsciousness to all else, imagine my horror at catching a glimpse of the head and face of a man, with hands uplifted, on the top of a wave as it rushed past our lee quarter. A shriek was all that reached my ears, and instantly the object was long way past the ship.

I felt a cold shudder running over my whole body, and my hands were instinctively loosening their grasp on the wheel, and

in another instant I might have sank to the deck, had not the return of the Captain to my assistance, relieved me from my first "trick at the wheel". Staggering to the side of the ship and seizing the rail, I turned my face to receive the full force of the wind and the flying spray; enjoying its refreshing influence a few moments. I turned to the Captain to enquire the nature of the trouble forward and was relieved to find "nothing had happened but split the fore-sail." To be continued

PROJECT S.A.F.E. AT SENIOR CIRCLE FAIR

Project S.A.F.E. (Substance Awareness for the Elderly) was a welcomed participant in the Senior Circle Fair held at Bristol Community College on August 8. Several booths

displayed information pertinent to Seniors, and there were many interesting craft displays. Luncheon was served on the lawn.

At the invitation of Old Colony Elderly Services, Inc. Project S.A.F.E. personnel addressed the Seniors at the Campello Housing Complex in Brockton on August 13. The

residents were encouraged to seek further information and ask questions concerning the safe and effective use of prescription drugs, over-the-counter drugs, and alcohol. Physicians and Pharmacists will supply this information upon request. Also stressed were the patients' rights to access and information in these areas.

Presentations scheduled for the fall months will include updated information and new educational films. The desire for education in these areas on the part of the Older American is apparent by the enthusiastic reception of this program. Seventy percent of the prescription drugs now being used were not developed fifteen years ago. The need for further awareness becomes more apparent as documentation of dangerous interaction continues. Research in the area of aging and healthy longevity is increasing. Results will be forthcoming, but until then it is wise to be alert.

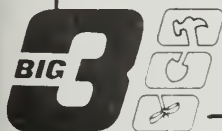

Any group desiring a program presentation, or any Older American in need of assistance or referral may call the Marion Center for Human Services, 748-2850.
